

Leadership Mitchell

Event Profile

Leadership Mitchell is a program dedicated to supporting the highest quality of leadership preparation for individuals, with particular emphasis on personal and professional leadership skills. It is designed to prepare participants for future service and leadership, help existing leaders sharpen their skills and motivate them to take an active role in community affairs. The program focuses on civic, governmental, business and industry challenges in the Mitchell Area.

There are many ways to help sponsor the Leadership Mitchell program, with one of the top ways being to sponsor one or more individuals to participate. Sponsorships are also needed to create exciting and informational sessions that engage participants and propel them into community leadership roles.
